WAKELON IN ABSTRACT...

FOREWORD

To those who open this book: "Welcome!" The staff of the 1966 WAK-IGH-AN hopes that as you turn the pages of this book, the accomplishments, expectations, triumphs, and all other events which have painted the picture of this school year have been faithfully portrayed. We have worked this year with but one goal in mind, "to turn out the best WAK-IGH-AN yet."

Each page will mean something different to each of you. We hope you will cherish this book and in later years will like it even more as you look back on the 1965-1966 school year.

The Editor

*This is Wakelon
in bits and scratches
abstract and serious
with laughter in patches.*

*Together we are
and through time will be
threaded together by a sea
of memories
and yesterday.*

IN DEDICATION

If you were to visit Wakelon about 1:00 on a school day, you would probably see a group of boys gathered around—laughing, joking, teasing. Right in the midst of these boys would be the "Coach." This is just one of his various pastimes. He can be seen teasing the girls... testing his World History Class...making the football players run laps...sponsoring the Monogram Club...or just walking on the football field contemplating.

To the students of WHS there is no man who can compare with him—not only as a coach but as a man. He can be seen standing up for what he believes in or expressing his opinions on events no matter what others may think.

It is with all the love, honor, and respect that words can never express, that we, the WAK-IGH-AN staff of '66, dedicate this yearbook to our beloved coach, teacher, friend...

Our own...

PRINCIPAL

Twelve years of work and fun lie behind you as you have reached your ultimate goal—graduation. This year you have seen the previous years and experience pay off. You had a busy nine months doing all the special things required of Seniors as well as carrying an increased load. Now, although the final whistle has blown to end this particular game, you are actually kicking off into a bigger and better game. Wherever your new goals may lead you, Wakelon High School will always remember the class of '66 for it was here that your first game of life was played—and won.

I hope that each of you realize the ambitious dreams and aspirations that you have developed while a student at Wakelon High School. May you always have a belief in the worth and dignity of your fellowman and gauge your life accordingly...

CAFETERIA STAFF

ACTIVITIES

To Learn from books is merely a part of our preparation; the fulfillment of knowledge comes with working together in the various organizations of our school.

In organizations, we learn how to work with others, to lead, and to accept responsibility for perhaps the first time in our lives. Here we can serve our school in many beneficial ways, but more than that we can also serve our community.

WAK-IGH-AN STAFF

Far left: JEAN BUNN, Editor. Left: FAYE SAWYER, Business Manager.

Typewriters clicking, flashbulbs flickering, tears of discouragement, smiles of merriment help to make the 1966 Wak-Igh-An have a special meaning to the Annual Staff members this year. We have tried to present our school with originality in planning our layouts, writing copy, taking pictures and soliciting ads.

Seated: Arlene Hood and Jackie Gay, Freshmen Representatives; Vicky Temple, Sophomore Representative; Donna Kinball, Junior Editor. Standing: Carolyn Alford, Typist; Cheryl Gay, Janet Duke, and Barbara Boykin, Editor's Assistants; Billy Moss, Sophomore Representative; Johnny Curtis, Junior Business Manager; Candace Debnam, Brenda Creech, Typists.

Student Council Representatives: Front row: Treva Temple, Johny Hendricks, Jackie Gay, Betsy Baker. Second row: Suzanne Beck, Teddy Privette, Ray Massey, Danny Gordon, Mrs. Privette, Sponsor.

(Above) High School Presidents: Kenny Temple, Bobby Johnson, Mark Wilson, Robby Kimball. (Right) Student Council Officers: Robert Lanier, President; Drew Cannady, Vice-President; Vicky Temple, Secretary.

We are only a vertebra in the backbone of our school, elected to lead and to make known the wishes of the students. It is our job to set good examples for our fellow students to follow, both morally and scholastically.

Our most important work is in service to our school. We are the voice of the student body in planning school affairs.

HELEN OAKLEY

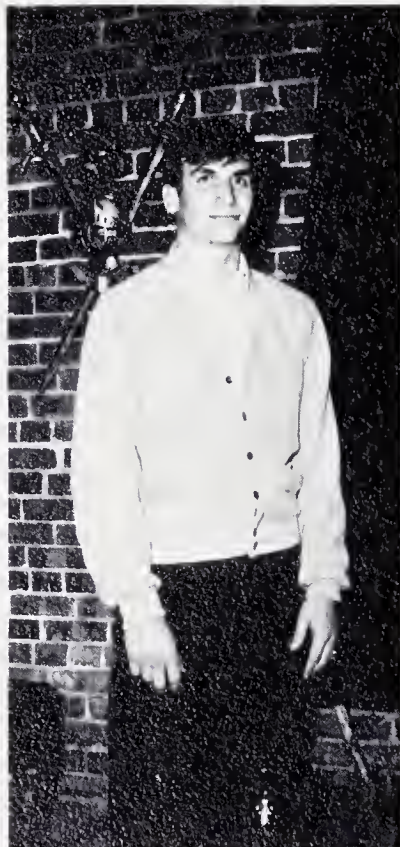

BOYS GIRLS STATE

Faye Sawyer, Helen Oakley, Ken Temple, and Graylyn Doyle were chosen by the American Legion and the American Legion Auxiliary as delegates to Tarheel Girls' and Boys' State. These students were selected on the basic requirements of initiative, leadership abilities, scholarship, and personality.

During the seven days in which the students lived on the UNC campus, they learned the fundamentals of local, parish, and state governments by actually taking part in the elections of the officials of the mythical state government. Through the knowledge gained the Wakelon students returned ready to take a greater part in civic affairs.

NATIONAL HONOR SOCIETY

Membership in the Early H. Moses Chapter of the National Honor Society is based on four ideals: Scholarship, Leadership, Character, and Service. Our members possess these qualities as well as many others, especially activity. This years society is very active, undertaking such projects as printing and selling programs for all the home football games, making and selling cupcakes at home basketball games, and selling candy. Funds raised from these projects will be used to give scholarships to worthy seniors. A needy family will have a Merrier Christmas because of gifts from the NHS. Our members are given an opportunity to enjoy their membership in the NHS through the social meetings held out of school and most important the annual state convention.

JOURNALISM CLUB

HELEN OAKLEY, Editor

SUSAN PIPPIN, Junior-Editor

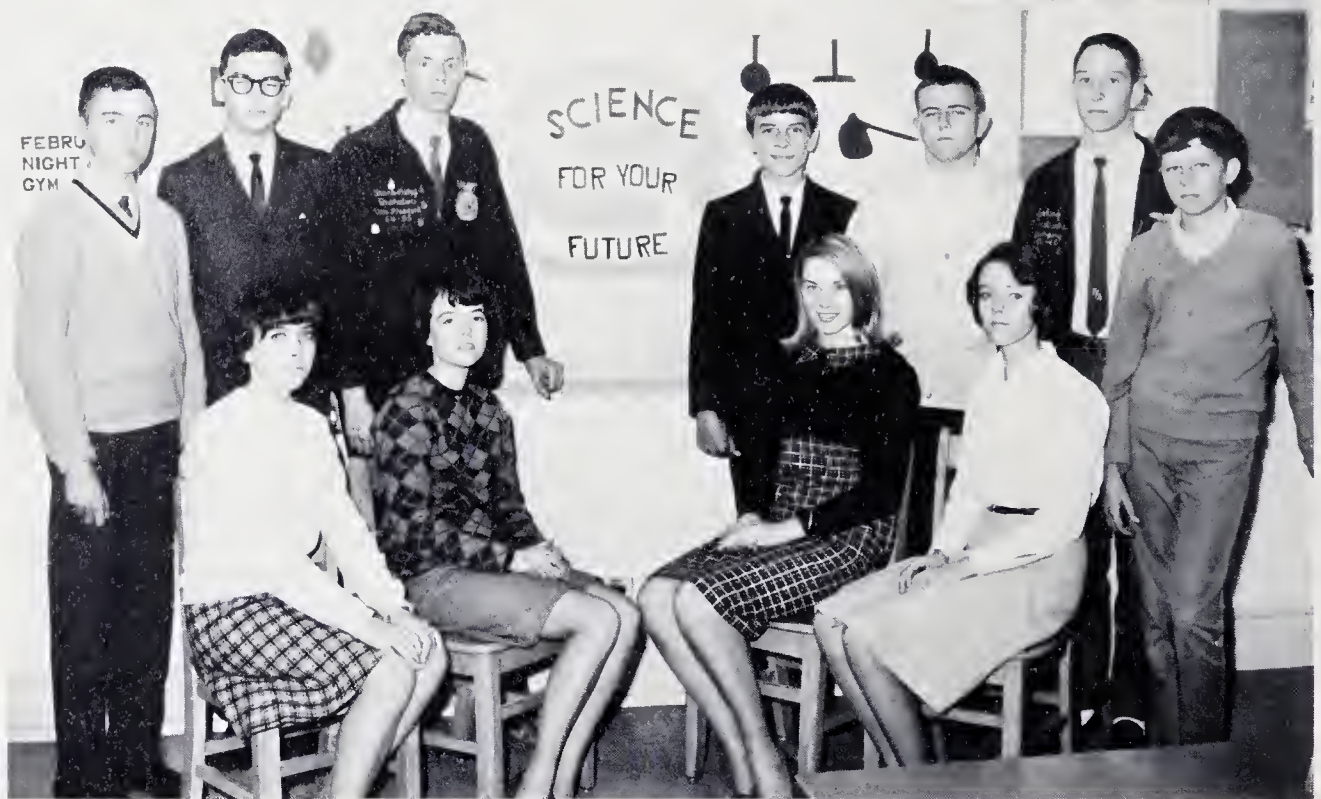

Words are the gateway to the thoughts of the mind. Since we are all children of expression, there could be no better way to release knowledgable tension than through a sponsored Journalism Club.

Our school pride demands a monthly paper that includes the students' activities of Wakelon. You, the Student Body, expect only the biggest and the best. We, the Journalism Club, have pledged ourselves to this challenge.

Front row: Susan Davis, Sheila Cooke, Linda Pulley, Virgie Alford, Helen Mitchell, Mary Lou Rhodes, Bet Chamblee. SCIENCE CLUB

Science Club members are: Standing: Billy Moss, Barry Carroll, Frank Pulley, Bunny Williams, Bobby Mitchell, Johnny Hendricks, Ricky Green. Seated: Debby Oakley, Cheryl Gay, Faye Sawyer, and Sandra Pulley.

Freshmen scientists experiment in the lab!

Officers: Mrs. Stanley, Sponsor; Frank Pulley, President; Johnny Hendricks, Vice-President; Cheryl Gay, Secretary; Faye Sawyer, Reporter; Sandra Pulley, Treasurer.

This club helps us to escape from our everyday lives into the more fantastic world of Science. We are introduced to the many different facets of that which links our minds and enrich ourselves to the future.

Our main objection is the Science Fair which is in February. This gives each student a chance to portray his talents.

Library Club Officers: Seated: Frank Pulley, President; Debbie Oakley, Vice-President. Standing: Sandra Pulley, Secretary; Susan Pippin, Treasurer; Diana Pearce, Reporter.

LIBRARY CLUB

Books are the fumigant of ignorance, for ignorance is denial in this life.

The objective of the Library Club is to attract and arouse interest in librarianship at Wakelon.

The club is still a growing child, however. It needs exercise to grow and to keep growing. This activity includes the annual, "Candy for Sale." The proceeds provide the money toward the purchase of books and magazines for the library. Susan Pippin represented the club as "Miss Library Club," while her co-members excelled in "manufacturing" a float representing "Books Around The World." The crest of their activities is a scrapbook of the outstanding activities of the Library Club and Wakelon's Students.

Can you imagine Wakelon without a faithful Library Club? We could not even try!

Seated: Lena Brantley, Esther Fathera, Ruby Creech, Candace Debnam, Cathy Clark, Brenda Tant, Sandra Smith, Joan Blackley, and Mrs. Madeline Pippin, Sponsor. Standing; First row: Cherrie Bowling, Patsy Scott, Jerry Johnson, Rhonda Baker, Sue Bunn, Linda Pearce, Dianne Wall, Julia McNabb. The Wakelon F.T.A. has two county officers this year: Kay Antone, Treasurer, and Jean Bunn, Parliamentarian.

Officers: Kathy Gay, Reporter; Janet Duke, Treasurer; Martha Strickland, Vice-President; Linda Kimball, Secretary; Cheryl Gay, President; James Deans, Sponsor.

Boys and girls rushing from building to building, grading papers, keeping classes, washing boards, taking pictures, playing farmer in the dale, and doing many, many other odd jobs are what you will find the F. T. A. students doing.

This year we have had an extremely large number of enthusiastic boys and girls to join our club, making it one of the largest at Wakelon. Members have many worthwhile things in store for them as F. T. A. members during the school year. County meetings, banquets, teas, projects and various other things in which the club members work at closely help make up the F. T. A.

Each F. T. A. member this year has gained much experience as a teacher and also has contributed much to the school and the student body.

What is an F. T. A. member? He or she is a well rounded student participating in most sports and other activities, as well as maintaining a good scholastic average.

Have you done your part this school year?

Vice-President of the Wake County Future Homemakers of America is our own Donna Kimball.

Officers: Lynda Pulley, President (center), Left to right: Helen Mitchell, Treasurer; Patsy Currin, Song Leader; Mary Lou Rhodes, Historian; Jo Ann Hicks, Song Leader; Priscilla Cone, Parliamentarian; Jean Bunn, Reporter; Virgie Alford, Secretary; Suzanne Beck, Vice-President.

"A stitch in time saves nine," was once quoted by Benjamin Franklin. The Future Homemakers have been fortifying tomorrow with today.

The year 1965-1966 saw the membership of the Future Homemakers a total of sixty-one members. We can readily see this is a sizable figure, but not so when considering these are an important part of America's future society.

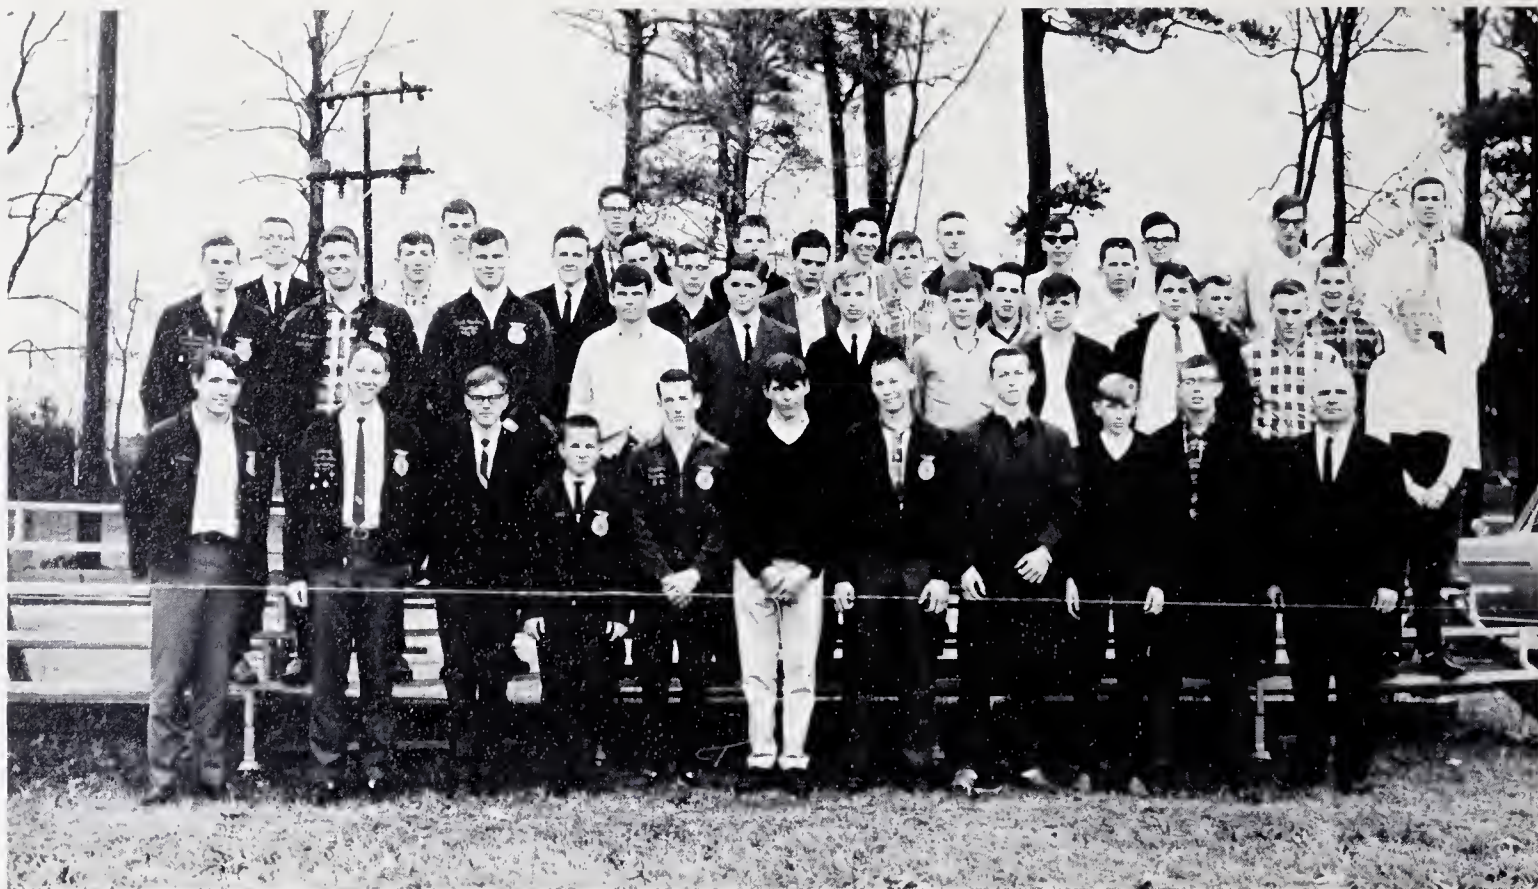

To begin with, the old familiar cry of "we've something good to sell you," could be heard throughout the communities. With the proceeds the club sponsored a tea for its members—a well deserved treat.

The rest of the club's activities could be classified as plans, plans, and more plans.

The Future Homemakers of America promote and direct its members to better cope with role in the American home.

The Degrees of membership are as follows: Green Hand-Chapter Farmer-State Farmer-American Farmer. The first two degrees are given to the deserving member by his local chapter. These two degrees are contingent on definite accomplishment in connection with the vocational agricultural program of the school. The State determines the third, and the national organization confers the fourth degree.

Officers: Frank Pulley, President; Donn Liles, Vice-President; Johny Hendricks, Secretary; Linwood Oakley, Treasurer; Carl Bunn, Reporter; Bill Mangum, Sentinel; C. V. Tart, Advisor.

FFA

The President of the Wake County Federation of Future Farmers of America is Wakelon's own Frank Pulley.

CHORUS

Chorus members were in tradition for the late October Homecoming.

The mixed chorus, under the direction of Mrs. Robert Daniel Massey, boasts a membership of forty six, twenty eight boys and eighteen girls. Meeting daily as a regular class, the course acquaints its members with all kinds of musical expressions, offers the members a chance for developing a literacy for music reading, provides the joy of singing good choral literature in four part harmony, provides opportunities for personal growth, and offers programs of varied vocal music to both the school and community.

MONOGRAM

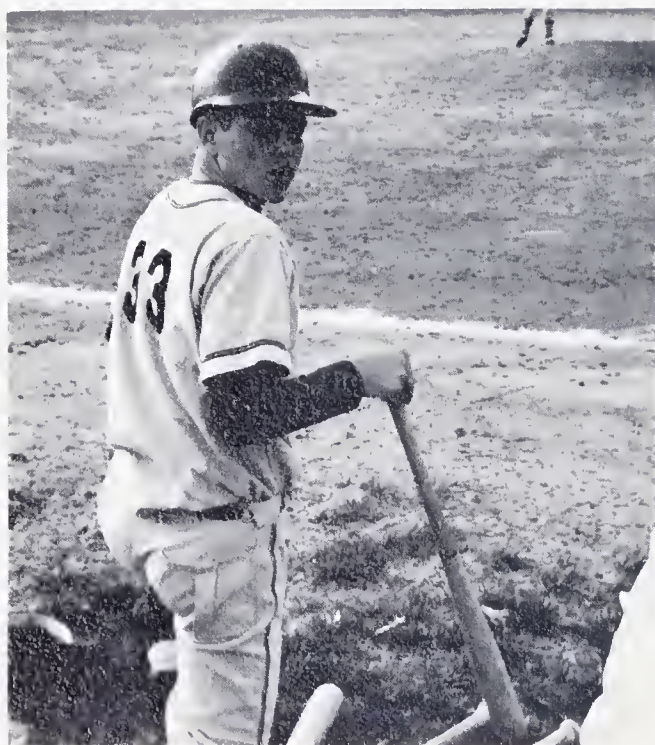

The Monogram Club is represented by those students who participate in the Athletic program at Wakelon. Its main purpose is to raise money for the athletic supplies needed by the various sports. We have raised money this year by having car washes, dances, talent shows and an Alumni-Varsity football game. We are proud of our club and feel that it is probably the most beneficial club at Wakelon.
